Dear Friend,

“Dancing Naked at the Edge of Dawn” is Sistrum’s first commissioned piece of music, which we will be premiering at this year’s Spring Concert. With music by Jenni Brandon and poetry by Kris Radish, the piece is sure to inspire you to dance. It has inspired us to sing about all the events in life that make us want to dance—from sunrises to love, from women’s rights to disco.

Artistic Director Meredith Bowen and all of Sistrum’s members invite you to help us celebrate our 23rd year. We hope you can join us for our Spring Concert performances on **May 15 and 16, 2009, at 8:00 pm.** Sistrum’s **silent auction** will also return to this year’s Spring Concert.

“If you have not heard Sistrum lately – you have not heard Sistrum.”
